

DHT22 - Wiring example using a two-piece pin and socket interconnection polarized Berg connector salvaged from a power supply units 3.5 inch floppy disk drive power cable.

Berg 4 pin peripheral connector

DHT22 Digital Humidity Temperature Sensor

Red wire (Berg pin 1) to DHT22 pin 4-GND
Black wire (Berg pin 2) to No Connection
Black wire (Berg pin 3) to DHT22 pin 2-Data
Yellow wire (Berg pin 4) to DHT22 pin 1-Vcc
